- Complimentary one-day passes are limited to 2 presenters / passes per session. Additional presenters will require to seek approval from the Organizing Committee Co-chairs. The Co-Chairs will consider requests that demonstrate the benefit of an additional presenter and complimentary pass.
- Presenters will be responsible to prepare their presentation description and slides to accompany their presentation.
- Handouts and associated costs (e.g. photo copying, etc.) will be the responsibility of presenters.

Content Considerations:

- Best practices presentations could include: new ways of doing business, trends, case studies, strategies, etc. and are not limited to federal government. Other jurisdictions are welcome!
- Commercially focused / vendor promotional / sales presentations will not be considered.
- CIPMM will post all presentations on our website after the Workshop.
- Federal Government presenters must obtain approval from their management to present at CIPMM.

Official Language Considerations:

- All presenters should be aware that delegate questions may be raised in either of the official languages and the expectation is that they will be answered in the language in which they were asked. Where presenter cannot provide this capacity, CIPMM moderators may be able to assist. Your presentation request should clearly indicate if your presentation is selected if you will require this assistance.
- Federal Government presenters must provide materials in both English and French by the required deadline. Federal Government presenters are encouraged to consult the Official Language's Commissioners website for additional resources for ensuring bilingualism in presentations.
