Questions

1. Why have you volunteered to be a Mentor and what are you looking for in a successful mentorship relationship?
2. If you could go back in time and give yourself one piece of advice; What would you say to your younger self when starting your career in the PS?
3. What is the toughest lesson you have ever learned in your career? Be honest – no names needed and Vegas rules apply here!
4. Should I stay or Should I Go? What are your thoughts on changing jobs and departments throughout your career path?
5. As a Mentor/Leader, what would you say is your best leadership quality and one quality you would like to improve on and why?
6. We have all had great bosses and bad bosses in our careers, name one valuable lesson you have learned from both.
